2027 Holiday Schedule Notice

Since 2027 has 2 holidays that occur on Saturday, but are observed on Friday, I am giving customers options for those two holidays. They are Juneteenth and Christmas Day. On the brochure I show the “observed” holiday for both of these, but you can change that to the following:

1. You need them changed to be closed on Saturday.
2. You won’t be observing either of them.
3. You need one to be changed, but not the other.

If you aren’t observing those holidays, we’ll add a sign that says, “We Will Be Closed (blank)” for you to fill in for any occasion you choose.

If none of these options work for you, we’ll change those holidays to however you need, just let us know.

Please see the holidays on the next page.
